Arrow of Light Award Arrows

Name of person who placed the order: _____

Date Order Placed: _____ Order Number: _____

- *If you have more than 8 scouts, print out a second copy of this page.*
- *If the scout did not earn the achievement, I will not leave a blank. Instead, I'll move on to the next achievement. Therefore, some arrows will have more of the shaft painted than others.*
- *Each arrow has room for **40 stripes with no name/date**. To calculate the space available, assume each stripe takes as much room as 2 characters of the wood-burned words.*

		1	2	3	4	5	6	7	8
Word-Burned Words This will be wood-burned on one line, in all caps, on the arrow. Usually it is the scout's **first name** and **crossover year.** (eg. ANDREW 2025) I'm happy to wood-burn extra words (beyond first name & year) on the arrow for $1 **per character**.									
Number of extra characters:
